Dispensaries in Gundlupet Taluk.

Q.—358. **Sri H. K. SHIVABUDRAPPA** (Gundlupet-Heggaddevankote).—

Will the Government be pleased to state :—

(*a*) the number of dispensaries in Gundlupet Taluk at present ;

(*b*) of them, how many are Local Fund Dispensaries and how many new type dispensaries and how many Ayurvedic dispensaries ; where they are located ;

(*c*) whether there are doctors in all of them ; if not the names of such dispensaries which have no doctors and since when;

(*d*) the villages from which requests have been made for the grant of Local Fund Dispensaries ; the steps they have taken to comply with their requests and since when the matter is under their consideration?

A.—**Sri T. CHANNIAH** (Minister for Public Health and Local Self-Government).—

(*a*) 8 Dispensaries in Gundlupet Taluk.

(*b*) 3 Local Fund Dispensaries at Begur, Kabbahalli, and Terakanambi.

1 Combined Dispensary at Gundlupet.

1 New type Dispensary at Hundipur.

3 Ayurvedic Dispensaries at Bommanahalli, Kyathanahalli and Kelsur.

(*c*) Yes.

(*d*) None. However there was a proposal from the President, District Board, Mysore, for starting a dispensary at Kadasoge. It could not be pursued for want of medical personnel. It is therefore proposed to open a New Type Ayurvedic dispensary at Kadasoge.

Atchkat **lands below the right bank low level channel of Krishnarajasagara.**

Q.—461; **Sri SHIVANANJE GOWDA** (Mysore Taluk).—

Will the Government be pleased to state—

(*a*) whether the *atchkat* lands below the right bank low level channel of Krishnarajasagara have been permanently changed from dry to wet and whether permanent wet assessment has been levied thereon ;

(*b*) if not, whether heavy dry assessment and water rate are not being collected on these lands ;

(*c*) the total amount of dry assessment, water rate and other cesses that are being thus collected on every acre :

(*d*) since how many years this heavy rate of assessment is being recovered ;

(*e*) the rate of wet assessment per acre levied on the wet lands under Devaraya Nala which also flows in this area;

(*f*) whether they had not replied on the floor of the Assembly about four years ago that the lands under the right bank low level channel would be classed permanently as wet and that wet assessment would be levied ;

(*g*) in spite of the above reply why the lands under the said channel have not yet been classed as wet and wet assessment levied ?

A.—**Sri Kadidal MANJAPPA** (Minister for Revenue and Public Works).—

(*a*) (i) No.

(ii) No.

(*b*) and (*c*) Dry assessment from Re. 0-12-0 to Rs. 1-4-0 per acre plus water rate at Rs. 7-8-0 per acre are being levied and collected.

(*d*) This assessment is levied since 1920-21.

(*e*) From Rs. 8 to Rs. 10 per acre.

(*f*) and (*g*) No assurance was given but on a similar resolution tabled by Sri M. V. Rama Rao in the May-June 1949 session, a reply was given that the matter would be examined.
